

Assert Lemon MANUAL WAREWASHING DETERGENT

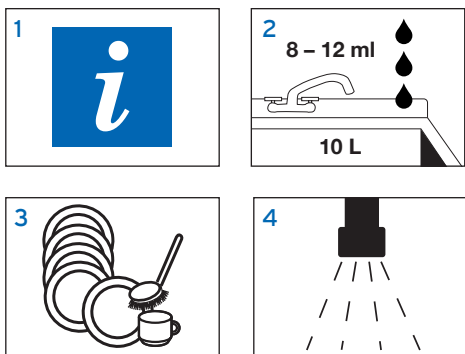

Assert Lemon is a concentrated, high foaming hand dishwashing liquid with a fresh lemon fragrance. It is ideal for cleaning pots, pans, crockery, glass and all washable kitchen utensils. **Assert Lemon's** mild formulation and special combination of surfactants, it easily emulsifies fat, shortenings, dirt, animal and vegetal oils. **Assert Lemon** rinses freely leaving the surfaces clean and dirt free.

Application: For manual cleaning of dishes, kitchen equipment and other water ware like porcelain, glass, stainless steel, aluminium, varnished and lacquered surfaces and plastic materials in locations such as professional kitchens, canteens, fast food restaurants, butcher's shops and bakeries.

- **Clean** - Combination of degreasing and freely rinsing properties results in sparkling clean surfaces.
- **Safe** - Material friendly formulation allows universal use throughout kitchen.
- **Efficient** - Controlled foam, easy to rinse saves water.

USE INSTRUCTIONS

- 1 Check product label and hygiene plan for detailed use information.
- 2 Dose 8 - 12 ml of **Assert Lemon** into 10 L warm water. For heavily soiled items, a higher concentration may be required. For general surface cleaning, dose 25 ml into 10 L water.
- 3 Pre-scrape ware to remove loose and gross soils. Immerse items to be washed and leave to soak. Depending on the item, wash with a stiff brush or a scouring pad.
- 4 Remove items and rinse with clean warm water. Allow to air dry and remove to storage rack.

SPECIAL NOTES / INFORMATION

To wash your dishes in the most efficient way, to save water and energy and to protect the environment, do not use running water but immerse the dishes and use the recommended dosage. You can wash most efficiently without lots of foam.

For professional use only.

Safety data sheet for professional users available on request.
